At PAWfect Spa, we groom and pamper your pet royally. Our professionally trained stylists are creative perfectionists who will design specific trim styles for each of our canine or feline guests.

We are pleased to announce our grand opening of PAWfect Spa at 124 Willowdale Avenue in April, 2005. Our new facility will continue to offer one-to-one private grooming services in a stress-free environment. Our team of grooming spe-

cialists cares about your pet's health and appearance.

Pawfect Spa Limited was established in November 2003. It was one of the first pet grooming salons to introduce top quality pet styling services for the city of Toronto. They expanded to include a pet nutrition centre and deluxe pet resort services.
